**Danersk Decorative Furniture**

ORIGIN of Design is always interesting. Our Tyrol Set is but one  
out of the many Danersk groups for dining rooms, living rooms  
and bed rooms that illustrates this fact. If you have tramped through  
the Dolomites of the Italian Tyrol, you were captivated by the deligh-  
ful painted furniture that the people produce for their own use and  
enjoyment.

The Danersk Tyrol group was developed under the influence of  
this furniture for American homes. Peasant art is universal in its appeal.  
It gives individuality to the room whether in city apartment or coun-  
try home. The price of the Tyrol Set brings it within the range of all  
lovers of beauty and good taste.

Call soon. Last minute purchases mean compromise on stock  
things made for a thousand others.

**After the Summer**

When sun, wind and

the color of your locks,  
making it straight from
